

About FLIP

Flip is a freelance marketplace that enables users access skilled freelance talents. The Flip platform offers businesses the agility to hire talent for a specific work task without risk, commitment and overheads of full-time employment

How FLIP works

- 1 — Hiring entity posts jobs for free on the FLIP platform
- 2 — FLIP auto generates a shortlist with detailed ratings
- 3 — Hiring Entity pays fee for talent in escrow
- 4 — Talent preforms task & FLIP pays talent
- 5 — Talent and Hiring Entity rate each other
